

I Need You (Shine a Light)

Whitesnake

Hear me Knocking
On Your Door
Can't Help Myself
I keep coming back for more
I'm begging You
Let me Stay
I want you so bad
Babe, I can't keep away I'm on fire
You got my love
Burning higher and higher
So Baby, Baby please...I need You
To Shine a light
I need you
To Hold me tight
I need You
To shine a light
Bringing me home again...You got got class
You got Style
With all Your tricks
Babe, you're so versatile....
So much more
That one man can claim
You pull me in
Like a moth to a flame...I'm on fire
You got my love
Burning higher and higher
So Baby, Baby please...I need You
To Shine a light
I need you
To Hold me tight
I need You
To shine a light
Bringing me home again...I need You
Baby, Baby please
I need You
Shine a Light for me
I need you
Shine a light for me
Baby, baby, Baby, please....I need You

To shine a light
I need you
To hold me tight
I need you
To shine a light
I need You
To shine a light
I need you
To hold me tight
I need you
To shine a lightBringing me home again
Bringing me home again
