

Down

Pidgeon

Part 1

Overcast winters day
On a western front
I got a dog with no name
But he barks like a cat

Iâ€™m over it now
Iâ€™m over the sound
Iâ€™m over the way
Though the mountains been fun

Iâ€™m over the bombs
Iâ€™ll fall to the ground
I donâ€™t sleep anymore
Iâ€™m in love with the sound

I was meant for
As we fall
As they fall
Down, down, down, down

I will desire
And Iâ€™m there

Iâ€™m a bliss of a man
If you wana do me alone
Itâ€™s like soap in my hands
Lesson learned but unknown

Iâ€™m over it now
Iâ€™m pickin a fight
Iâ€™m takin you down
Well I donâ€™t care if you try

Youâ€™re callin me up
I hate to be found
I hear you lurkin around
Iâ€™m in love with the sound

I was meant for
As we fall
As you fall
Down, down, down, down

Part 2

Overcast winters day
On a western front
I got a dog with no name
But he barks like a cat

(Quiet)
Iâ€™m over it now
Iâ€™m over the sound
My mountains been fun

Iâ€™m over the bombs
Iâ€™ll fall to the ground
I donâ€™t sleep anymore
Iâ€™m in love with the sound

I was meant for
As we fall
As they fall
Down, down, down, down

(Quiet)
I oooohhh

(Quiet)

(Quiet)
Iâ€™m over it now
Iâ€™m pickin a fight
Iâ€™m takin you down

Youâ€™re callin me up
I hate to be found
I hear you lurkin around
Iâ€™m in love with the sound

I was meant for
As we fall
As you fall
Down, down, down, down
