

To The Threshold

Hatebreed

This Is The Sound Of The Lost,
The Beaten And Brocken,
Rising Up and.....Taken From Us
From The Shadows Of The Past,Form The Death/Depth OF Our Own Failures
Searching(?) Forward Into The lies/light
Denying Our Demise
Descamanting What....
But Which You Only....Give Me Your Brocken,
Give Me Your Beaten,
I Will Buld Them Up,
I Will Lead Them,
To The Threshold,Make You Stronger,
Make You Believe,
I Am One In The Same,
But Now Im Stronger Than Eternity,This Is More Than A Battlecry,
Its The Blood Of My Lifeline,
Growing/Flowing Faster,This Is The Sound Of The Lost,
The Beaten And Brocken,
Descemating Your Fears,
Stronger Than Ever,
The Young Have Retrieved/Reprieved
Accention, Reducing/Producing PropheciesNow Where Stronger Than Ever,
Stronger Than Ever,Give Me Your Brocken,
Give Me Your Beaten,
I Will Buld Them Up,
I Will Lead Them,
To The Threshold,To The Threshold,
This Is More Than A Battlecry,We Were The Brocken,
We Were The Beaten,
I Was Once Like You,
Now I Push Myself To The Threshold,Because I Am Stronger,Because I Believe,Now Ive Seen/Been The Face
Of Defeat,The/And Stronger Than...
