

Nobody's Supposed to Be Here

Deborah Cox

How did you get in
Nobody's supposed to be here
I've tried that love thing for the last time
My heart says no, no
Nobody's supposed to be here
But you came along and changed my mind

I've spent all my life
On a search to find
The love who'll stay for eternity
The heaven sent to fulfill my needs
But when I turned around
Again love has knocked me down
My heart got broken
Oh it hurt so bad
I'm sad to say love wins again
So I place my heart under lock and key
To take some time and take care of me
But I turn around and you're staying here

How did you get in
Nobody's supposed to be here
I've tried that love thing for the last time
My heart says no, no
Nobody's supposed to be here, (nobody's supposed to be here)
But you came along and changed my mind

This time I swear I'm through
But if only you knew
How many times I've said those words
Then fall again when will I ever learn
Knowing these tears I've cried
This lovely black butterfly
Must take a chance and spread my wings
Love can make you do some crazy things
So I place my heart under lock and key
To take some time and take care of me
But I turn around and you're standing here

Standing here

Shoo do doop

Nobody's supposed to be here

Nobody

No no no no

No no no no

How did you get in

Nobody's supposed to be here

I've tried that love thing for the last time

My heart says no, no

Nobody's supposed to be here

But you came along and you changed my mind
