Schoolboy Q

Niggas already know Q got shit
Niggas already know Q got swag
Niggas already know Q make hits
Niggas already know Q pop tags
Niggas already know Q smoke weed
Niggas already know
Niggas already know
Niggas already know already know about me
Niggas already know I'm way to G
Niggas already know Q (Yeah)
Niggas already know You (Nah)
Niggas already know Q (Yeah)
Niggas already know You (Nah)
I said I'm Quincy bitch, I'm hella groovy bitch
Niggas already know I'm with this shit
You on that hater shit
I'm on the player shit
I left ya'll minors in the majors bitch
Niggas already know Q low key
Niggas already know Q OG
Niggas already know Q get high
Niggas already know Q stay fly
Niggas already know I sips that lean
Niggas already know I gets that cream
Niggas already know TDE the team
Niggas already know Champs got a ring
Niggas already know I run this shit
Niggas already know I fucked yo bitch
Niggas already know I am that nigga
Niggas already know One mo time yeah I am that nigga
Niggas already know the set got high
Niggas already know Who wig got popped
Niggas already know I sold that ox

Niggas already know I am that bock
Niggas already know The cops got on us
Niggas already know stash those burners
Niggas already know run if we told you
Niggas already know

Niggas already know Q gotta chill
Niggas already know
Niggas already know
Niggas already know
Niggas already know off good
Niggas already know these backwoods
Niggas already know the kicks look clean
Niggas already know the clip 16
Niggas already know I hide that bitch
Niggas already know I fried that bitch
Niggas already know the bird came out
Niggas already know the Locs hang out
Niggas already know we shut
shut
Niggas already know shit get crowned
Niggas already know hogs don't drown
Niggas already know cous' got found
Niggas already know we chilling with the moon
Niggas already know we smoking out the room
Niggas already know the brought a tomb
Niggas already know I'm jumping in the pool
Niggas already know we all got bread
Niggas already know I'm coming for your head
Niggas already know I want your spot
Niggas already know cous' ain't hot
Niggas already know cous' won't pop
Niggas already know when my shit drop
Niggas already know your shit stop
Niggas already know you can't top
