

# You Can't Keep a Good Man Down

James & Bobby Purify

He said goodbye to the angels of heaven  
And he came to Earth as a common man  
He taught us how we could love one another  
There was healing in His hands

There where those who believed and followed Him  
And there where those who wanted Him dead  
They thought the grave would silence Him forever  
But they found out instead

CHORUS:

You can close your eyes  
You can say it's a lie  
You can stick your head in the sand  
You can turn away even try to explain  
He was just another man

When they nailed Him to the cross by His hands and His feet and they put Him in the ground  
Three days later everybody found out that ya can't  
No you can't keep a good man down, no  
No you can't keep a good man down

I hear you say that it all sounds crazy  
It's a good story but it can't be true  
How could a man who was dead and buried  
Mean a thing to me and you

Here we are two thousand years later  
And still the choice is just the same  
You can say that ya don't believe it  
But it doesn't change a thing

REPEAT CHORUS

BRIDGE:

I can take you to the hill where they hung Him on a cross  
I can take you the empty tomb  
I can tell you He's alive 'cause He lives in me  
But the rest is up to you

REPEAT CHORUS TWICE
