

Cold Blood

BirdPen

[Hook: Canei Finch]
Started from the ground
Building to the sky now
 Watch it fall down
 How you gon' survive now?
 Yeah, it's cold blood in a nigga
The streets left no love in a nigga[Verse 1: Yo Gotti]
 If I could paint a picture
 I would show the image of a [?]
 Yeah, [?] nigga
 Popping pain killers
 Praying for a call for the [?][Hook: Canei Finch]
 Started from the ground
 Building to the sky now
 Watch it fall down
 How you gon' survive now?
 Yeah, it's cold blood in a nigga
The streets left no love in a nigga[Verse 2: J. Cole]
 Here's a voice for the voiceless
 My words like multiple choice to the choiceless
 Emerge like a search light in the darkness
 For this young, black carcass
 My niggas either join the Armed Forces, or they corpses now
 In God we trust But it's bucks that we worship, now
 Boy that root of evil gon' forever rule the people
 See, I seen just what that fast money gon' come and do to people
 Hit a lick, it was a hit
 He said, "Let's go and do the sequel"
 But his, nigga wasn't 'bout it, nigga wasn't 'bout it, now
 Feeling guilty, "What would Momma think about me?"
 Told' em, think about it nigga, won't you think about it now?
 But he was money hungry
 Plus he trigger happy
 So they hopped up in the Caddy
 Burnt his pack, just like a Stevian
 Thirty minutes later, blood is leaking at the ATM
 Momma in denial, like her baby boy on trial
 For a murder that he ain't commit
 Tears soak the handkerchief[Hook: Canei Finch]

Started from the ground
Building to the sky now
Watch it fall down
How you gon' survive now?
Yeah, it's cold blood in a nigga
The streets left no love in a nigga[Verse 3: Yo Gotti]
For real, for real[Outro: J. Cole]
They say the good die young, that's the truth
My nigga floating up in heaven now, that's the proof
I ain't make it to the funeral, but homie rest in peace
If this world get too cold, I hope one day you rescue me
Nigga maybe we can fly someday
Oh we can fly someday
Yeah up in the sky someday
Do real niggas get to heaven?
That's that stuff I ask the reverend
