Angelia

HANGRYï¼†ANGRY

Memories of you and me
Tumble inside my head
Way that we used to be
Things that we saidNo one has ever
Made me believe so strong
You left me to wonder
How did our love go wrong?Angelia, where you running to now?
Angelia, got to make you turn aroundI lie awake at night
Wait for the sun to shine
I still feel you next to me
Your lips on mineWithout a warning
You made our love a lie
Then you said, you were sorry
But you never told me whyAngelia, where you running to now?
Angelia, got to make you turn aroundMaybe my love is in vain
Maybe you're the hurting kind
Can't take no more of this pain
I've got to get you off my mind
Get you off my mindTried to be what you wanted
I gave you all I had
Girl, you left me with nothin'
Nothin' but a photographAngelia, where you running to now?
Angelia, won't you please turn around?Angelia, where you running to now?
Angelia, where you running to now?
Where you running to now?Angelia, where you running to now?
Where you running to now?
