

# My Romance

**Jo Stafford**

My romance, doesn't need to have a moon in the sky  
My romance, doesn't need a blue lagoon standing by  
    No month of May, no twinkling stars  
No hideaway, no soft guitarMy romance doesn't need a castle rising in Spain  
    Or a dance to a constantly surprising refrain  
    All at once I can make my most fantastic dreams come true  
My romance, doesn't need a thing but youMy romance doesn't need a castle rising in Spain  
    Or a dance to a constantly surprising refrain  
    And wide awake, I can make my most fantastic dreams come true  
    My romance, doesn't need a thing but you, but you
