Chicago Farmer

Can Miss Becky please raise her hand, bruh
I need some of that good head right now, bruh
I need that Becky
I'm on this liquor oh so heavy
'Fo we fuck, can you neck me?
A lil' head and I am ready
I want yo mouth, give me that Becky
Keep that pussy I want yo throat
Front that head 'fo you go
Wet yo mouth 'fo you blow
Must get Becky 'fo I bow
You Miss Becky? Let me know
Licky, licky, I love that, bro
Head nigga thatz 'fosho

Open yo mouth 'fo you open yo legs

Tired of pussy, I'm retired

Ain't fuckin' her, got too many mouths
Will put poll right in her mouth
Babbit pussy ain't my style
Fine head make me smile

Gotta be grown to fuck with Plies
The longer you suck, the longer I whyle

'Fo we fuck can you neck me?
A lil' head and I am ready
I want yo mouth, give me that Becky

'Fo we fuck can you neck me?
A lil' head and I am ready
I want yo mouth, give me that Becky
Just got Becky, I can't move
