## Chicago Farmer

Can Miss Becky please raise her hand, bruh  
I need some of that good head right now, bruh

I need that Becky

I'm on this liquor oh so heavy

'Fo we fuck, can you neck me?

A lil' head and I am ready

I want yo mouth, give me that Becky

Keep that pussy I want yo throat

Front that head 'fo you go

Wet yo mouth 'fo you blow

Must get Becky 'fo I bow

You Miss Becky? Let me know

Licky, licky, I love that, bro

Head nigga thatz 'fosho

I'ma lock yo jaws 'fo I go

I'm on this liquor oh so heavy

'Fo we fuck can you neck me?

A lil' head and I am ready

I want yo mouth, give me that Becky

I'm on this liquor oh so heavy

'Fo we fuck can you neck me?

A lil' head and I am ready

I want yo mouth, give me that Becky

Like pussy love head

Open yo mouth 'fo you open yo legs

Man down, I am dead

Suck no dick? Can't get in my bed

Heard me right, thatz what I said

Drop that spit right on that head

Squeeze that meat and hit that head

I'm on this liquor oh so heavy

'Fo we fuck can you neck me?

A lil' head and I am ready

I want yo mouth, give me that Becky

I'm on this liquor oh so heavy

'Fo we fuck can you neck me?

A lil' head and I am ready

Tired of pussy, I'm retired

Ain't fuckin' her, got too many mouths  
Will put poll right in her mouth  
Babbit pussy ain't my style  
Fine head make me smile  
Put that mayonnaise on your child  
Gotta be grown to fuck with Plies  
The longer you suck, the longer I whyle  
I'm on this liquor oh so heavy  
'Fo we fuck can you neck me?  
A lil' head and I am ready  
I want yo mouth, give me that Becky  
I'm on this liquor oh so heavy  
'Fo we fuck can you neck me?  
A lil' head and I am ready  
I want yo mouth, give me that Becky  
Just got Becky, I can't move  
I love Becky, yes I do
