

How Deep Is Your Love

The Bird And The Bee

I'll know your eyes in the morning sun
I feel you touch me in the pourin' rain
And the moment that you wander far from me
I wanna feel you in my arms again
And you come to me on a summer breeze
Keep me warm in your love and then softly leave
And it's me you need to show
How deep is your love, is your love
How deep is your love, I really need to learn
'Cause we're livin' in a world of fools, breakin' us down
They should all just let us be, we belong to you and me
I believe in you
You know the door to my very soul
You're the light in my deepest darkest hour
You're my savior when I fall
And you may not think that I care for you
Well, you know down inside that I really do
And it's me you need to show
How deep is your love, is your love
How deep is your love, I really need to learn
'Cause we're livin' in a world of fools, breakin' us down
They should all just let us be, we belong to you and me
And you come to me on a summer breeze
Keep me warm in your love and then softly leave
And it's me you need to show
How deep is your love, is your love
How deep is your love, I really need to learn
'Cause we're livin' in a world of fools, breakin' us down
They should all just let us be, we belong to you and me
How deep is your love? How deep is your love?
How deep is your love? How deep is your love?
