Fog in the streets, a church clock beats Midnight, darkness all around You better beware, you better take care Be prepared for the shockThe time has come and he's the one Who's breathing down your neck Coming from behind, now it's your time A loser will dieFast as a shark, he'll cut out of the dark He's a killer, he'll rip out your heart On a one way track and you're not coming back 'Cause the killer's on the attackSurprise attack, coming from the back An expert of the deadly knack Just take care, just beware Be prepared for the fightFast as a shark, he'll cut out of the dark He's a killer, he'll rip out your heart On a one way track and you're not coming back 'Cause the killer's on the attackWatch out, watch out Fast as a shark, he'll cut out of the dark He's a killer, he'll rip out your heart On a one way track and you're not coming back 'Cause the killer's on the attackFast as a shark, he'll cut out of the dark He's a killer, he'll rip out your heart On a one way track and you're not coming back 'Cause the killer's, 'cause the killer's 'Cause the killer's on the attack, attack, attack Attack, attack, attack, attack
