

# Boys Wanna Be Her (TS Brooklyn Fire Retouch)

## Peaches

You've got them all, by the balls  
causin' waterfalls  
Stone walls  
Bar brawls  
Common stalls that cause 'em all To you they crawl, body sprawl  
Smokin' Pall Malls  
Close call, stand tall Doll, you make them feel so small  
And they love it! The boys wanna be her (The boys)  
The girls wanna be her (The girls)  
The boys wanna be her (The boys)  
The girls wanna be her (The girls)  
The boys wanna be her (The boys)  
The girls wanna be her (The girls)  
The boys wanna be her (The boys) I wanna be her Yes I do The way you rock, don't stop (or lone star)  
Girl, you got the chops  
Flip flop  
She bop  
Self-taught  
You lick so hot  
Are you conceived  
Kids receive  
Crawling up the sleeve  
Parents bleed  
Can't conceive  
That indeed we'll never leave And we love it! The boys wanna be her (The boys)  
The girls wanna be her (The girls)  
The boys wanna be her (The boys)  
The girls wanna be her (The girls)  
The boys wanna be her (The boys)
