Seven Seas

At Vance

Once upon a time he was born into a family
Growing up with the right to fight
And he became a man, felt the strong desire
To satisfy his restless soulHeading for tomorrow followed up his heart
But the only thing he found was war and hate
So he took all of his pride and started his adventure
Towards foreign countries into no man's landDisbelief could not make him strong enough
Always on his never ending search for the truthFriends he could not find
Hate and fear was all he got
Still he is on his waySailing on the seven seas
Searching for my destiny
Traveling all around the world
Always on his lonely search for the truthSo the years passed by and he became more wise
Knowing all about the uncovered mysteries
By the time he realized that he's been running round in circles
Didn't care for the things that he should have keptDisbelief could not make him strong enough
Always on his never ending search for the truthFriends he could not find
Hate and fear was all he got
Still he is on his waySailing on the seven seas
Searching for my destiny
Traveling all around the world
Still can't find the truth in meFriends he could not find
Hate and fear was all he got
Still he is on his waySailing on the seven seas
Searching for my destiny
Traveling all around the world
Still can't find the truth in meFar beyond the distant sky
Nowhere near but he couldn't deny
Heading towards his wildest dreams
Always on his lonely search for the truth
