Terrapin

Cheapshot

I really love you and I mean you
The star above you, crystal blue
Well, oh baby, my hair's on end about you
I wouldn't see you and I love to
I fly above you, yes I do
Well, oh baby, my hair's on end about youFloating, bumping, noses dodge a tooth, the fins aluminous
Fangs all 'round, the clown is dark, below the boulders hiding all
The sunlight's good for us
'Cause we're the fishes and all we do
The move about is all we do
Well, oh baby, my hair's on end about youFloating, bumping, noses dodge a tooth, the fins aluminous
Fangs all 'round, the clown is dark, below the boulders hiding all
The sunlight's good for us
'Cause we're the fishes and all we do
The move about is all we do
Well, oh baby, my hair's on end about youI really love you and I mean you
The star above you, crystal blue
Well, oh baby, my hair's on end about you
