

Waterfall

Fear of Men

Our lives contracted

Our lives contracted

I'm not alone in this

I'm not alone in this

I'm not alone in this

I'm not alone in thisOur lives contracted

Our lives contracted

I'm not alone in this

I'm not alone in this

I'm not alone in this

I'm not alone in this

How lonely into yourself when there's no landscape

See trough me to where I hide from you

Take me to the waterfall when it's over, when it's over

Take me to the waterfall when it's over, when it's overYou will never leave me

As long as I tie with my bones

Trust in me completely

Show me there's no world outside our ownYou will never leave me

As long as I tie with my bones

Trust in me completely

Show me there's no world outside our ownOur lives contracted

Our lives contracted

I'm not alone in this

I'm not alone in this

I'm not alone in this

I'm not alone in this

Our lives contracted

Our lives contracted

I'm not alone in this

I'm not alone in this

I'm not alone in this

I'm not alone in thisCut me free, a drifting tile without ancestors

Heart felt eulogy, it runs down your face

Take me to the waterfall when it's over, when it's over

Take me to the waterfall when it's over, when it's overTake me to the waterfall when it's over, when it's over

Take me to the waterfall when it's over, when it's over

Take me to the waterfall when it's over, when it's over

Take me to the waterfall when it's over, when it's overTake me to the waterfall when it's over, when it's over

Take me to the waterfall when it's over, when it's over

Take me to the waterfall when it's over, when it's over
Take me to the waterfall when it's over, when it's over
