Back in the Day

Jessta James

Back in the day man we were crazy
Back in the day girl we were wild and free
Those were the good times, baby
Life is good laughing our cares away
Like back in the day
Way back in the dayMan I'll tell you sometimes, in the back of my mind
I remember those days still thinking bout the nights
We'd go deep in them woods
Sipping granddaddy's wine
Raising hell till dawn just to see the sunrise
Sweet home Alabama, Dixieland delight
Cranking them tunes just to keep the mood right
Howling by the fire underneath the moonlight
See you only live once so we had a good time
Back in the day man we were crazy
Back in the day girl we were wild and free
Those were the good times, baby
Life is good laughing our cares away
Like back in the day
Way back in the dayAnd it still takes me back when I hear them old tracks
Something bout the sound had me thinking bout the past
Cold beer in my hand hot girl in my lap
Having too much fun make it hurt when we laughed
The thing about fun is you can never have enough
You see the little things are the things that you love
So when you get down and the going gets tough
Just forget about it all, man
And turn the music up
x 2
Back in the day man we were crazy
Back in the day girl we were wild and free
Those were the good times, baby
Life is good laughing our cares away
Feels so fine hope it'll stay this way
Crank it up and let the music play
Like back in the day
Way back in the day
