## Soulfly

Born again anarchist  
Downstroy the system within  
Born again anarchist  
Downstroy your bullshitBorn again anarchist  
Fuck with me so I must resist  
Born again anarchist  
You fuel the fire that in me exists  
Born again anarchist  
Screaming bloody pigs  
Born again anarchist  
Screaming bloody pigsBorn again anarchist  
Downstroy mediocrity  
Born again anarchist  
Coming at ya, iron fistBorn again anarchist - Born again  
Born again anarchist - Born again  
Born again anarchist - Born again  
Born again anarchist - Born again
