

Only To You

By the Tree

Join with me in graceful dance
And summon the company of angels
The Heavens and earth bear witness to this
While all of creation will singOnly to You, for all eternity
 Our voices sing and praise
 Only to You, all Heaven will celebrate
 Our Savior, our King
 Only to You, only to You, only to You
 One that I love, my heart has seen
 The day will come, the return of our King
 Knees will bow and tongues will confess
All nations, all tribes, they will singOnly to You, for all eternity
 Our voices sing Your praise
 Only to You, all Heaven will celebrate
 Our Savior, our King
Only to You, only to You, only to YouJoin with me in graceful dance
 And summon the company of angels
 The Heavens and earth bear witness to this
While all of creation will singOnly to You, for all eternity
 Our voices sing Your praise
 Only to You, all heaven will celebrate
 Our Savior, our King
 Only to You, for all eternity
 Our voices sing Your praise
 Only to You, Heaven will celebrate
 Our Savior, our King
Only to You, only to You, only to You
 Only to You
