

# Burn To Shine

**Ben Harper**

We made love until we cried and cried ourselves to laughter  
Laughed until we realize our hearts were struck with fear  
How in just a moments time could one see forever after?  
I gently lie beside you and dream away my tears Won't you let me treat you kind?  
We're gonna burn to shine  
Won't you let me treat you kind?  
We're gonna burn to shine Funny things you learn from your mama  
Like the way to throw your head back when your swallowing pills  
Funny things you learn from your papa  
Like when you're talking you just can't keep your hands still But that was now and this is then  
It never lasts for long  
How I miss the good old days  
But I'm so glad they're gone Won't you let me treat you kind?  
We're gonna burn to shine  
Won't you let me treat you kind?  
We're gonna burn to shine I'd like to spend the time with you, would you like to spend with me?  
So that you could help me out with my dependency  
'Cause I'm hopelessly addicted, addicted to your sorrow  
Makes me never wanna work, beg or borrow Won't you let me treat you kind?  
We're gonna burn to shine  
Won't you let me treat you kind?  
We're gonna burn to shine Won't you let me treat you kind?  
We're gonna burn to shine  
Won't you let me treat you kind?  
We're gonna burn to shine
