

All Over Again

Fleetwood Mac

Well it's time to say goodnight
And finally turn out the light
How do I say in some simple way
How much you have been on my mind? But I have to let you go
It's time to move on, don't you know?
But you can rely, on a love that won't die
For haven't I told you so So let's stop before it's too late
And leave it all up to the fates
'Cause in spite of the heartaches
The troubles in love
I'd do it all over
(Do it all over)
Do it all over again Each of us and everyone
Carries a burden of love
But as far as I go, in my heart I know
It's you I'll be thinking of So what is there left to say
As I see us drifting away
You can always depend, on a love that won't end
Won't you think of me, think of me that way? So let's stop before it's too late
And leave it all up to the fate
'Cause in spite of the heartaches
The troubles in love
I'd do it all over again Well it's it's time to move on to the rain
And finally break the chain
In spite of the heartaches
The troubles in love
I'd do it all over
(Do it all over)
Do it all over again
Stop before it's too late 'Cause in spite of the heartaches
An' troubles in love
I'd do it all over again
(Do it all over)
I'd do it all over again
