Tango

The Adicts

Picked up umbrella Put on my bowler Looked in mirror Ready for the tango I phoned a taxi For me and Maxi She looked fantasti We did the tango whoaho we danced the tango x2 dont go, we danced the tango We drank champagne We danced again We had laughter And then after whoaho we danced the tango x2 dont go, we danced the tango Face to face we danced the tango Cheek to cheek we danced the tango dont go, we danced the tango x4
