

Walking On The Moon

Sting

Giant steps are what you take
Walking on the moon
Walking back from your house
Walking back from your house
My feet don't hardly touch the ground
My feet don't hardly make no sound
Giant steps are what you take
Walking on the moon
I hope my leg don't break
Walking on the moon
We could walk for ever
Walking on the moon
We could be together
Walking on, walking on the moon
Some may say, I'm wishing my days away
No way and if it's the price I pay
Some say, tomorrow's another day
You'll stay, I may as well play
