

# Out of this World

## Edenbridge

The sleeping giant, entangled am I  
Ended in deadlock, mistreated by and by  
So mine a rich seam  
Do as you would be done by Caught in this here  
The sadness sincere all alone  
I was shaped into form  
Caught in this pain in a world inhumane You fight what you don't understand  
Jaded am I, my well ran dry on the slope  
Is there no ray of hope, in the end torn and swirled  
I feel I'm out of this world And looking down the ages  
This treasure, we call liberty  
Boundless dreams have no end  
They just depend on your will to be free Caught in this here  
The sadness sincere all alone  
I was shaped into form  
Caught in this pain in a world inhumane You fight what you don't understand  
Jaded am I, my well ran dry on the slope  
Is there no ray of hope, in the end torn and swirled  
I feel I'm out of this world
