

Have You Seen Your Mother Baby, Standing In The Sh

The Rolling Stones

Have you seen your mother, baby, standing in the shadow?

Have you had another, baby, standing in the shadow?

I'm glad I opened your eyes

The have-nots would have tried to freeze you in ice

Have you seen your brother, baby, standing in the shadow?

Have you had another baby, standing in the shadow?

Well I was just passing the time

I'm all alone, won't you give all your sympathy to mine?

Tell me a story about how you adore me

Live through the shadow, see through the shadow,

Live through the shadow, tear at the shadow

Hate in the shadow, love in the shadow life

Have you seen your lover, baby, standing in the shadow?

Have they had another baby, standing in the shadow?

Where have you been all your life?

Talking about all the people who would try anything twice

Have you seen your mother, baby, standing in the shadow?

Has she had another baby, standing in the shadow?

You take your choice at this time

The brave old world or the slide to the depths of decline
