

Grease (Instrumental)

Frankie Valli & Gary Brown

I solve my problems and I see the light
We gotta plug and think, we gotta feed it right
There ain't no danger we can go to far
We start believing now that we can be who we are Grease is the word
They think our love is just a growing pain
Why don't they understand, It's just a crying shame
Their lips are lying only real is real
We start to find right now we got to be what we feel Grease is the word
Grease is the word, is the word that you heard
It's got groove it's got meaning
Grease is the time, is the place is the motion
Grease is the way we are feeling
We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now that we can be wo we are Grease is the word
Grease is the word, is the word that you heard
It's got groove it's got meaning
Grease is the time, is the place is the motion
Grease is the way we are feeling
This is the life of illusion
Wrapped up in trouble laced with confusion
What we doing here? We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now that we can be who we are
Grease is the word
Grease is the word, is the word that you heard
It's got groove it's got meaning
Grease is the time, is the place is the motion
Grease is the way we are feeling Grease is the word, is the word that you heard
It's got groove it's got meaning
Grease is the time, is the place is the motion
Grease is the way we are feeling Grease is the word
Is the word

Is the word

Is the word

Is the word
