

# I Wanna Be The Rain

Rbd

The rain It's not enough to be the one who holds you  
It's not enough to be the one you're close to  
I want to be so much more The love that your living for  
The air you breathe  
I wanna be everything that touches you  
Everything I wanna be the rain that falls on you  
Washes away the pain  
I wanna be the sun that shines on you  
Warms your world each day I wanna be the sky that holds the stars for you  
So you never lose your way  
I wanna be the wind that kisses your face  
I wanna be the rain It's not enough for me to be around you  
I wanna be everything that surrounds you  
The sun to light up on your skin Each breath that you're breathing in  
Or that you need  
I wanna be everything that touches you  
Everything I wanna be the rain that falls on you  
Washes away the pain  
I wanna be the sun that shines on you  
Warms your world each day I wanna be the sky that holds the stars for you  
So you never lose your way  
I wanna be the wind that kisses your face  
I wanna be the rain And even in your sleep  
When you're dreaming  
I wanna be the only thing you see  
Won't you be there in everything I wanna be the rain that falls on you  
Washes away the pain  
I wanna be the sun that shines on you  
Warms your world each day I wanna be the sky that holds the stars for you  
So you never lose your way  
I wanna be the wind that kisses your face  
I wanna be the rain Washes away the pain  
I wanna be the rain  
Rain
