

Chase You Down (Instrumental)

RUNAGROUND

Ooh Ooh
Don't let it slip away
Ooh Ooh
Don't let it get away Can you hear me right now
I got your number
And I'm callin' you out
With liquid courage
I can beat all my doubt
There's not another
So I'm chasin' you down
Chasin' you down Can you see me right now
I'm comin' closer
Think I figured you out
Not like the others
You don't blend with the crowd
I've blown your cover
Now I'm takin' you down
Takin' you down Can you hear me right now
I got your number
And I'm callin' you out
With liquid courage
I can beat all my doubt
There's not another
So I'm chasin' you down
Chasin' you down Ooh Ooh
Don't let it slip away
Ooh Ooh
Don't let it get away Ooh Ooh
Don't let it get away
Ooh Ooh
Won't let you slip away Can you see me right now
I'm comin' closer
Think I figured you out
Not like the others
You don't blend with the crowd
I've blown your cover
Now I'm takin' you down
Takin' you down Can you hear me right now
I got your number

And I'm callin' you out
With liquid courage
I can beat all my doubt
There's not another
So I'm chasin' you down
Chasin' you down Can you see me right now
I'm comin' closer
Think I figured you out
Not like the others
You don't blend with the crowd
I've blown your cover
Now I'm takin' you down
Takin' you down Ooh Ooh
Don't let it slip away
Ooh Ooh
Don't let it get away
Ooh Ooh
Don't let it get away
Ooh Ooh
Won't let you slip away Can you hear me right now
I got your number
And I'm callin' you out
With liquid courage
I can beat all my doubt
There's not another
So I'm chasin' you down
Chasin' you down
