Lovedrunk

Anouk

I will help myself if you don't have the time
It ain't hard to find a new lover
Now it's your loss baby better check your mind
What you got don't cover my needs
Can't help myself when I start to show a sign
I need love it's like an addiction
I'd hurt myself
If I don't get away
I got to get myself a greater sensation
I need more then you could give me
Don't you know that I'm a lovedrunk
Careful now before I'll break your heart
I will charm you with my own style
Long enough to make you think I'm yours
Don't make me wait 'cause that would be a crime
It is easier to find me another
I'll find someone and I will get what is mine

I keep looking for the better connection
I'll help myself if you don't have the time
Watch me boy I'm out on a mission
You don't give me all that I need
So I continue with my little obsession
I need more than you could give me
Don't you know that I'm a lovedrunk
Careful now before I'll break your heart
I will charm you with my own style
Long enough to make you think you're mine
Listen baby there's something I gotta tell ya
I'm a lovedrunk
I'm on a mission baby
I'm so intoxicated
I'm so bad
Either way yeah I'm gonna get it get it
