Beautiful

You're beautiful We got music to soothe your soul  
We're gonna get down with a little bit of rock and roll  
We got rhythm to move your feet  
We're gonna make you get off up your seat When I lift You up, they come running  
When I sing Your song, the world's turning to You  
Just the sound of Your name is a beautiful thing  
And I love You, I love You, I love You Your name is beautiful  
It drips off of my lips like drops of gold  
It makes me want to dance  
You're my treasure, my deliverance When I lift You up, they come running  
When I sing Your song, the world's turning to You  
Just the sound of Your name is a beautiful thing  
And I love You, I love You, I love You  
Just the sound of Your name is a beautiful thing  
And I love You, I love You, I love You When I lift You up, they come running  
When I sing Your song, the world's turning  
Just the sound of Your name is a beautiful thing  
And I love You, I love You, I love You When I lift You up, they come running  
When I sing Your song, the world's turning to You  
Just the sound of Your name is a beautiful thing  
And I love You, I love You, I love You When I lift You up, they come running  
When I sing Your song, the world's turning to You  
Just the sound of Your name is a beautiful thing  
And I love You, I love You, I love You I said I lift you up  
And I lift You up  
And I lift You up  
And I lift You up Your name is beautiful  
Your name is beautiful  
You are beautiful  
I said, "You are beautiful"  
You are beautiful, you are beautiful
