

Kiss It

DOROTHY

Mama she don't like my walk
Daddy he don't like my talk
My baby told me "Listen here
A woman need a man." All I gotta say to you is "Kiss it baby," yeah
Kiss it
Kiss it baby yeah, kiss it
Kiss it baby yeah, kiss it Preacher try to make me see
Teacher try to marry me
My baby told me "Listen here
A woman need a man." All I gotta say to you is "Kiss it baby," yeah
Kiss it
Kiss it baby yeah, kiss it
Kiss it baby yeah, kiss it
Whoa kiss it, kiss it
Whoa kiss it, kiss it
All I gotta say to you
All I gotta say
All I gotta say to you is
Kiss it baby yeah, kiss it
Kiss it baby yeah, kiss it
