

4th of July

Brian McKnight

Aaah ohhh
Aaah ohhh
Aaah ohhh I was watching you
Just the other day
And I couldn't help but smile
You're still beautiful
After all these years
And I'm so damn glad you're mine Never lost a year
Girl you're still the flame
That's burning deep in my soul
So remarkable, so incredible
The best I've ever known When we kissed, it's like Christmas
I still feel ...
Every time we're together
Like the 4th of July Aaah ohhh (You make it feel like the 4th of July)
Aaah ohhh (You let me up like the 4th of July)
Aaah ohhh (You make me feel like the 4th of July)
Aaah ohhh (yeah yeah) I'm still feeling you
You still got it
I can't get you out of my head
When I'm with you
There's no other place
That I'd rather be instead Never lost a year
Girl you're still the flame
That's burning deep in my soul
So remarkable, so incredible
The best I've ever known When we kissed, it's like Christmas
I still feel ...
Every time we're together
Like the 4th of July Aaah ohhh (You make it feel like the 4th of July)
Aaah ohhh (You let me up like the 4th of July)
Aaah ohhh (You make me feel like the 4th of July)
Aaah ohhh (yeah yeah) Each and every night is like new year's eve
Every touch is like heaven to me
When we're making love, I can't get enough
Baby you're all I ever need When we kissed, it's like Christmas
I still feel ...
Every time we're together
Like the 4th of July When we kissed, it's like Christmas

I still feel ...
Every time we're together
Like the 4th of JulyAaah ohhh (You make it feel like the 4th of July)
Aaah ohhh (You let me up like the 4th of July)
Aaah ohhh (You make me feel like the 4th of July)
Aaah ohhh (yeah yeah)Aaah ohhh (You make it feel like the 4th of July)
Aaah ohhh (You let me up like the 4th of July)
Aaah ohhh (You make me feel like the 4th of July)
Aaah ohhh (yeah yeah)When we kissed, it's like Christmas
(You make it feel like the 4th of July)
I still feel ...
(You let me up like the 4th of July)
Every time we're together
(You make me feel like the 4th of July)
Like the 4th of July (yeah yeah)
