Let's Split

Syd Barrett

Everything about
About to go out
Me out, you out
Yes, and everything is out
About, out
Out, out, out, out, out, outLet's split
I'm telling you this is itEverything down
And hound, hound, hound
Back down, down, down
Even everything is down
Abound and down
Down, down, down, down, downLet's split
Tellin' you this is itNobody is right tonight
Night, height, night, kite
It isn't right, me out, you out
And everything is out
Out, out, out, out, out, out
Let's split
