

# Sad Clown

**Sarah McLachlan**

A time so haunting moonlight in the mist  
Lay me down beside you oh as long as it lasts  
From the river comes a figure  
Drifting slowly by  
Trailing long the water leaving softer  
Than a sigh softer than a sigh All the feelings they remain like a  
Still life a dying swansong forever  
Lost your cries of glory  
The rain is falling down like silence  
In a shroud  
When all that really matters left to  
Loose I'm all alone I'm all alone All the feelings they remain like a still  
Life a dying swansong forever lost your  
Cries of glory  
Walking from the shadows a fear of  
Sadness grows  
Your heart is in your hands your knowing  
Looks Our time is gone  
My time is gone  
Swans dying song
