

# Night After Night

Sandra Lyng

Hit you up in the middle of the night  
It's dark and I want my lover  
Now I'm driving 101, lil' tipsy little high  
It's dark  
And I want my LoverAin't got no time  
For Love  
Oh, oh, oh, oh, oh  
Ain't got no time  
Bla, bla, bla, bla, bla  
Ain't got no time  
For Love  
Oh, oh, oh, oh, oh  
Ain't got no time  
Bla, bla, bla, bla, blaI got you here tonight  
If my mama hate you I love you  
Allright  
It feels so good  
I want you now  
Allright  
If my mama hate you I love you  
AllrightIt feels like we can do it  
Night after night after night  
We can do it  
Night after night after night  
We'll do it  
Night after night after night  
We can do it  
Night after night after night...5 AM, babe it only you and I  
I got you wrapped around me  
One touch, got a taste and  
Now I'm hungry for your love  
I want you all upon meAin't got no time  
for Love  
Oh, oh, oh, oh, oh  
Ain't got no time  
Bla, bla, bla, bla, blaAin't got no time  
For Love  
Oh, oh, oh, oh, oh  
Ain't got no time

Bla, bla, bla, blaI got you here tonight

If my mama hate you I love you

Allright

It feels so goodI want you now

Allright

If my mama hate you I love you

AllrightIt feels like we can do it

Night after night after night

We can do it

Night after night after night

We'll do it

Nighth after night after night

We can do it

Night after night after night
