Little Gods

Phoenix On the Fault Line

Little girls shouldn't treat
Little boys they happen to meet
Like little GodsDo they keep their promises?
No they break them, why do they make them?
Do they treat us like Goddess?
They keep you going without you knowingLittle girls shouldn't treat
Little boys they happen to meet
Like little GodsIs there nothing else to do
Than to chase after forever after?
Don't you think you're wasting time
Waiting by the phone pretending not to careHello? It's who?Oh I thought it was
Oh I hoped it was
Oh I knew it was youLittle girls shouldn't treat
Little boys they happen to meet
Like little GodsLittle girls shouldn't treat
Little boys they happen to meet
Like little GodsLittle girls, little boys, little Gods
