

Old School Joint (LP Version)

Missy Elliott

Flip da beat
Oh yeah I'm feelin' this one
You remember back in the old school days
You used to have joints like this
and you'd be up in the club dancin' like your moms and your pops
Hehe, I know why'all know what I'm talkin' about
So we goin' flip it like this, ooh, ooh[Verse 1]
Before you take me out let's, have a conversation
No touchy touchy cause it might lead to havin' relations
Let's get to the point, boy, no abbreviations
Don't want to give it up too quick, I want to build up anticipation[Chorus]
Once you get me will you know how to act
Will you do me right (Ooh, I need to know, I need to know)
Once you get me will you keep my pockets fat
Keep me lookin' tight (Ooh, yeah)[Verse 2]
I want to give it some time and, get to know each other
Let's be friends before we think about being lovers
Ain't no need to rush it, if this is forever
If you wait on this love, I promise it'll get mo' betta and betta[Chorus][Bridge]
Flashlights (flashlight)
Neon lights (neon light)
Party rides, all night
Love me right, keep me lookin' tight (lookin' tight)
So nice (so nice)
That's what I's like[Chorus: x 2]
