

# This Charming Man

David Glass

A punctured bicycle  
On a hillside desolate  
Will nature make a man of me yet  
When in this charming car  
This charming man  
Why pamper life's complexities  
When the leather runs smooth on the passenger seat?  
I would go out tonight  
But I haven't got a stitch to wear  
This man said it's gruesome  
That someone so handsome should care

I'm just a country boy  
Who never knew his place  
He's safe written the raven  
He knows so much about her  
He knows so much about these things  
And would go out tonight  
But I haven't got a stitch to wear, oh yeah  
This man said it's gruesome  
That someone so handsome should care
