Welcome Home You

Brian Littrell

When I left home to be who I am
Some people said "No Way"
But I laid it all down, gave everything
In my head rang the words that my father saidYou're never far
I will be where you are
And when you come to me
I will open my arms[Chorus]
Welcome Home, you
I know you by name
How do you do?
I shine because of you today
So come and sit down
Tell me how you are
I know son, it's good just to see your face.When I look at you holding my heart
I will give to you all that I have
Son I know there'll be times
You will feel all alone
I will share with you the words my father saidYou're never far
I will be where you are
And when you come to me
You can bet I will open my arms[Chorus]Said I've been waiting for that day
Just to feel your warm embrace
Your love has shown
I will never be alone
You will welcome me homeI'll forever be
You will say to me
Welcome Home, you
I know you by name
How do you do?
I shine because of you today
So come and sit down
Tell me how you are
I know son, it's good just to see your faceWhen I left home to be who I am
Some people said "No Way"
