My Little Funhouse

L.S.D.

(Lyrics and Music-Alan Lawlor)

Am I locked out, am I locked in, did I do good or did I sin
Did I look up, did I look down, did I turn back or did I turn around

Oh where are we going, who can tell, are we going to heaven, are we going to hell
Are we heading for the morning, are we heading for the night
Are we heading for the darkness, are we heading for the light

Bridge:

â€˜Cause I donâ€™t know if anyone can help me
Feeling hot, feeling cold, feel imprisoned but free
â€˜Cause my mindâ€™s in a mess and my headsâ€™s spinning â€˜round
Yeah my bodyâ€™s going up but my headâ€™s going down

Is everyone good, is everyone bad, is everyone happy, is everyone sad
Is there anyone below, is there anyone above, is there any difference between hate and love
Are we all big, are we all small, are we all short, are we all tall
Are we all good, are we all bad, are we all happy, are we all sad
