

Journey To The Center Of The Mind

Ted Nugent

Leave your cares behind come with us and find
The pleasures of a journey to the center of the mind
Come along if you care
Come along if you dare
Take a ride to the land inside of your mind
Beyond the seas of thought beyond the realm of what
Across the streams of hopes and dreams where things are really not
Come along if you care...
But please realise you'll probably be surprised

For it's the land unknown to man
Where fantasy is fact
So if you can, please understand
You might not come back
Come along if you care
Come along if you dare
Take a ride to the land inside and you'll see
How happy life could be if all of mankind
Would take the time to journey to the center of the mind
Would take the time to journey to the center of the mind
Center of the mind
