

Help Me (with Larry Gatlin)

[Kris Kristofferson](#)

Lord help me walk, another mile, just one more mile
I'm tired of walking all alone
Lord help me smile, another smile, just one more smile
I know I just can't make it on my own I never thought I needed help before
I thought that I could do things by myself
Now I know I just can't take it anymore
With a humble heart on bended knee, I'm begging you please help me
Come down from your golden throne to
me, to lowly me
I need to feel the touch of your tender hand
Remove the chains of darkness and let me see, Lord let me see
Just where I fit into your master plan I never thought I needed help before
I thought that I could get by, by myself
Now I know I just can't take it anymore
With a humble heart on bended knee, I'm begging you please help me
With a humble heart on bended knee, I'm begging you please for help
