

Wild Wild Women

Chris Spedding

Wild women showed me
The cheats that women told me
You know they all console me
And you know it's true
Yes, you know it's true
Talkin' about
Talkin' about
Talkin' about
Wild, wild women
And you know it's true
Talkin' about
Talkin' about
Talkin' about
Wild, wild women
Don't let her fool you
Don't let her gain control
Do it like I told you
Only make my patrol
Yeah, it's getting out of control
Talkin' about
Talkin' about
Wild, wild women
Wild, wild women
Well you know it's true
Talkin' about
Talkin' about
Talkin' about
Wild, wild women
Wild, wild women
I said
Wild, wild women
Wild, wild women
