Just Can't Get Enough

Depeche Mode

When I'm with you baby I go out of my head And I just can't get enough And I just can't get enough All the things you do to me And everything you said I just can't get enough I just can't get enough We slip and slide as we fall in love And I just can't seem to get enough of We walk together We're walking down the street And I just can't get enough And I just can't get enough Every time I think of you I know we have to meet And I just can't get enough And I just can't get enough It's getting hotter, it's a burning love And I just can't seem to get enough of And when it rains You're shining down for me And I just can't get enough And I just can't get enough Just like a rainbow You know you set me free And I just can't get enough And I just can't get enough You're like an angel and you give me your love And I just can't seem to get enough of Just can't seem to get enough Just can't seem to get enough

> Just can't seem to get enough Just can't seem to get enough
