Waiting for You

Athenaeum

I wanna hear the words
That you never speak
I wanna close my eyes
And wake to your lips upon my cheekI wanna know
Would you just walk away?
I've suffered enough this time
And these things will never go our wayHold on tight
'Cause I don't wanna say goodbye
Any more than you do
And all I see is you just wanna make believe
And I don't have the words up my sleeve
I'm waiting for you
I wanna change
But these dreams will never die
I wanna hear you say
That nothing is stronger than you and II wanna know
Would you just walk away?
We've suffered enough this time
And these things will never go our wayHold on tight
'Cause I don't wanna say goodbye
Any more than you do
And all I see is you just wanna make believe
And I don't have the words up my sleeve
I'm waiting for youWaiting for you
Hold on tight
'Cause I don't wanna say goodbye
Any more than you do
And all I see is you just wanna make believe
And I don't have the words up my sleeve
I'm waiting for youWaiting for you
