## **Arabian Nights**

## **Aladdin**

Oh, I come from a land, from a faraway place

Where the caravan camels roam

Where it's flat and immense

And the heat is intense

It's barbaric, but hey, it's homeOh, I come from a land, from a faraway place

Where the caravan camels roam

Where they cut off your ear

If they don't like your face

It's barbaric, but hey, it's homeWhen the wind's from the east and the sun's from the west

And the sand in the glass is right

Come on down stop on by

Hop a carpet and fly

To another Arabian nightArabian nights, like Arabian days

More often than not

Are hotter than hot

In a lot of good ways Arabian nights, 'neath Arabian moons

A fool off his guard

Could fall and fall hard

Out there on the dunes
