Shake Santa Shake

Zendaya

Who's that dude in the cherry red suit?
Tearing up the floor, tonight
He's shaking his hips, got a sack full of gifts
And a beard that's crazy white
He's got the party rockin'
Candy canes and stockings
Dancing like he's Micheal
Spinning like the vinyls
Sleigh bells in the air
Favorite time of year
Where wishes come true,
That's how we do, yeah, that's how we do
Shake, Santa, shake it!
We know you're gonna take it
To the house tonight!
Shake, Santa, shake it!
We know you're gonna make it
Naughty never looked so nice!
We want that merry, merry!
We want that merry, merry!
We want that merry, merry!
Ho-ho-ho, yeah! [x2]
Let's keep it coming,

And prancer zipping, ain't no V.I.P
Rudolph's checking the list
He ain't never even gonna see
Sleigh bells in the air
Favorite time of year
Where wishes come true,
That's how we do, yeah, that's how we do
Shake, Santa, shake it!
We know you're gonna take it
To the house tonight!
Shake, Santa, shake it!
We know you're gonna make it
Naughty never looked so nice! We want that merry, merry!
We want that merry, merry!
We want that merry, merry!

Ho-ho-ho, yeah! [x2] Calling all my boys and girls
Shaking up around the world
Everybody celebrate
Drop the beat and hit the brake! Shake, Santa, shake it!
We know you're gonna take it
To the house tonight!
Shake, Santa, shake it!
We know you're gonna make it
Naughty never looked so nice! We want that merry, merry!
We want that merry, merry!
We want that merry, merry!
Ho-ho-ho, yeah! [x2]
