Kill City

Hanoi Rocks

Oh, the street is cold
I'm all alone
I've got some money
Don't know what to spend it onSo I take a bus
I see her face
Where did she go?
She was here just a moment agoI've got love, love so strange
And now my life must be rearranged
So down the subway
The lights kind of make me know
What to do? Yes, they do, oh noKill city kills, kills me slowly
Kill city kills, breaks me down
Kill city kills, kills me now, ho no, oh noI've got love, love so strange
And now my life must be rearranged
So down the subway
The lights kind of make me know
What to do? Yes, they do, oh noKill city kills, kills me slowly
Kill city kills, breaks me down
Kill city kills, kills me now, ho no, oh noKill city kills, kills me slowly
Kill city kills, breaks me down
Kill city kills, kills me now, ho no, oh no
