2 X 4

The Fall

Yeah, I'm gonna make you, shake you, take you
I'm gonna be the one who breaks you
Put the screws into ya, yeah, my way
Yeah, come on, come on, come and make my day
Make my day
Yeah, got some hell to pay ya, I steal your thunder
The joy of violent movement pulls you under
Ooh, bite the bullet, well, hard
Yeah but I bite harder, so go too far, too far
Friction, fusion, retribution
(Friction, fusion)
I can't hear ya, talk to me
(Retribution)
I can't hear ya, so talk to me
(Friction, fusion)
I can't hear ya, are you talkin' to me?
(Retribution)
I can't hear ya, are you talkin' to me?
Can't hear ya, time to meet my Lord
I can't hear ya, talk to 2 X 4, hey
Yeah, I'm gonna make you, shake you, take you
I'm gonna be that one who breaks you
Put the screws into ya my way
Hey come on, come on, come and make my day
Make my day
Friction, fusion, retribution
(Friction, fusion)
I can't hear ya, talk to me
(Retribution)
I can't hear ya, come, talk to me
(Friction, fusion)
I can't hear ya, are you talkin' to me?
(Retribution)
I can't hear ya while you're talkin' to me
I can't hear ya, time to meet my Lord
I can't hear ya, talk to 2 X 4, hey
Yeah, talk to 2 X 4
It don't take no more
Come on, yeah, come on

Come on, come on
Talk to 2 X 4, talk to 2 X 4
Friction, fusion, retribution
(Friction, fusion)
I'm gonna make you talk to me
(Retribution)
I'm gonna take you, ooh, so talk to me
(Friction, fusion)
I can't hear ya, are you talkin' to me?
(Retribution)
I can't hear ya, you talkin' to me?
I can't hear ya, time to meet my Lord
I can't hear ya, talk to, talk to 2 X 4
It don't take no more, yeah
